THE HOMESTEAD.

An Act to lay off the Homestead and Personal Property Exemption.

The General Assembly of North Carolina do enact, as follows:

SECTION 1. *Homestead, when, and how exempted*—Whenever the real estate of any resident in this State shall be levied on by virtue of any execution, or any other final process, obtained on any debt, such portion thereof as may be occupied by the owner as an actual homestead, and which he may then elect to regard as such, including the dwelling and buildings thereon, shall be exempt from such levy, except under an execution or other final process issued for the collection of a debt contracted.

1. For the purchase of said homestead.

2. For such work and labor done for the owner of the homestead, as may constitute a laborer's lein.

3. For such labor done on the premises as may constitute a mechanics' lien.

4. For taxes accruing on said homestead.

SEC. 2. *Sheriff to summon appraisers.*—Before levying upon any homestead thus owned and occupied, the sheriff or other officer charged with such levy shall summon three discreet persons, qualified to act as jurors, to whom he shall administer the following oath: "I, A B, do solemnly swear [or affirm] that I have no interest, near, or remote, in the homestead exemption of C D, and that I will faithfully perform the duties of appraiser [or assessor, as the case may be,] *in valuing* and laying off the same. So help me God."

SEC. 3. *Duty of Appraisers*—The said appraisers shall thereupon proceed to value the homestead, with its dwelling and buildings thereon, and lay off to said owner such portion as he may select, or any agent, attorney, or other person, in his behalf, not exceeding in value one thousand dollars, and to fix and describe the same by metes and bounds.

SEC. 4. *Appraisers to make Return.*—They shall then make and sign in the presence of the officer, a return of their proceedings, setting forth the property exempted, which shall be returned by the officer to the clerk of the court for the county in which the homestead is situated, and filed with the judgment roll in the action, and a minute of the same entered on the judgment docket.

SEC. 5. *The levy to be made on excess.*—The levy may be made upon the excess of the homestead, not laid off according to the provisions of this act, and that the officer shall make substantially the following return upon the execution: "A B, C D and E F summoned and qualified as appraiser or assessor (as the case may be), who set off to X Y the homestead exempt by law. Levy made upon the excess."

SEC. 6. *Appraisers to elect*—In case no election is made by the owner, his agent or attorney, or any one acting in his behalf, of the homestead to be laid off as exempt, the appraisers shall make such election for him, including always the dwelling and buildings used therewith.

SEC. 7. That whenever any resident of this State may desire to take the benefit of the homestead and personal property exemption as guaranteed by article X of the Constitution of this State, such resident (or his agent or attorney) shall apply to any Justice of the Peace of the county in which he resides, and said justice of the Peace shall appoint as assessors three disinterested persons qualified to act as jurors residing in said county, who shall, on notice by order of said justice, meet at the applicant's residence, and after taking the oath prescribed in section two of this act for appraisers, before some official authorized to administer an oath, lay off and allot to the applicant a homestead, with metes and bounds, according to the applicant's direction, not to exceed one thousand dollars in value, and make and sign a descriptive account of the same and return it to the office of the Register of Deeds.

SEC. 8. That said assessors shall set apart the personal property of said applicant, to be by him selected, articles of personalty not exceeding in value the sum of five hundred dollars, and make and sign a descriptive list thereof, and return the same to the Register of Deeds.

SEC. 9. That it shall be the duty of the Register of Deeds to endorse on each of said returns the date when received for registration, and to cause the same to be registered without unnecessary delay. The said register shall receive for registering the said returns the same fees that may be allowed him by law for other similar or equivalent services, which fees shall be paid by said resident applicant, or his agent or attorney, upon the reception of said returns by the Register.

SEC. 10. That if any person entitled to a homestead and personal property exemption, die without having had the same set apart, his widow, if he leave one, then his child and children under the age (of twenty-one years, if he leave such, may proceed to have said homestead and personal property exemption laid off to her, him or them, according to provisions of sections seven and eight of this act.

SEC. 11. That when any person entitled to homestead and personal property exemption, shall file his or her petition before a justice of the peace, to have the same laid off and set apart under the provisions of sections seven, eight, nine and ten of this act, the said justice shall make advertisement at the court house door of the county in which the petition is filed, notifying all creditors of said applicant of the time and place when and where the said petition will be heard; and the same shall not be heard, nor any decree made in the cause in less than six months nor more than twelve, from the day of making advertisement, as above required.

SEC. 12. *Appraisal of personal property.*—Whenever the personal property of any resident of this State, shall be levied upon by virtue of any execution or other final process issued for the collection of any debt, and the owner, or any agent, or attorney in his behalf, shall demand that the same or any part thereof, shall be exempted from sale under such execution, the sheriff or other officer, making such levy, shall summon three appraisers as heretofore provided, who, having been first duly sworn, shall appraise and lay off to the judgment debtor such articles of personal property as he, or another in his behalf select, to the value of five hundred dollars, which articles shall be exempt from said levy.

SEC. 13. *Return of the same.*—Return shall be made of such appraisal and setting off of personal property, in the same manner as is required in section four of this act, upon the laying off of a homestead exemption.

SEC. 14. *Who is to be Appraisers*—The persons summoned to appraise the personal property exemption shall take the same oath and be entitled to the same fees as the appraisers of the homestead, and when both exemptions are claimed by the judgment debtor at the same time.

SEC. 15. *Tracts not contiguous, Included.*—Different tracts or parcel of land not contiguous, may be included in the same homestead, when a homestead of contiguous lands is not of the value of one thousand dollars.

SEC. 16. *Costs, how Charged*—The cost and expenses of appraising and laying off the homestead or personal property exemption, when the same is made under execution, shall be charged and included in the officer's bill of fees upon such execution or other final process, and when made upon the petition of the owner they shall be paid by such owner and the latter cost shall be a lien on said homestead.

SEC. 17. *Liability of Officer.*—Any officer making a levy, who shall refuse or neglect to summon and qualify appraisers as heretofore provided for or who shall fail to make due return of their proceedings, or who shall levy upon the homestead set off by said appraisers or assessors (as the case may be) except as herein provided, shall be liable to indictment for a misdemeanor, and he and his sureties shall be liable to the owner of said homestead for all costs and damages in a civil action.

SEC. 18. *Liability of Appraiser.*—Any officer or appraiser or assessor (as the case may be) who shall wilfully or corruptly conspire with any judgment debtor, or other appraiser, or assessor (as the case may be) to undervalue the homestead or personal property exemption of such debtor, or shall assign false metes and bounds, or make or procure to be made a false and fraudulent return thereof, shall be liable to indictment for a misdemeanor, and shall be answerable to the judgment creditor for all costs and damage in a civil action.

SEC. 19. Any officer or appraiser or assessor who shall wilfully or corruptly conspire with any judgment creditor, or other appraiser, or assessor, to overvalue the homestead or personal property exemption of any debtor or applicant, or shall assign false metes and boundaries, or make, or procure to be made false and fraudulent return thereof, shall be liable to indictment for a misdemeanor and shall be answerable to the party injured for all costs and damage in a civil action.

SEC. 20. *Judgment creditor dissatisfied.*—If the judgment creditor for whom the levy is made, or judgment debtor, or person entitled to homestead exemption, shall be dissatisfied with the valuation and allotment of the appraisers or assessors (as the case may be) he may, within ten days thereafter, or any other judgment creditor, within six months, and before sale under execution of the excess, notify the clerk of the township thereof, and file with him a transcript of the return of the appraisers or assessors, as the case may be, and thereupon the clerk shall notify the other trustees of the township to meet him, at a time specified, within ten days, on the premises, to reassess and allot said homestead. At the time specified the trustees shall meet on the premises and having first taken the oath prescribed for appraisers they shall view and examine the homestead laid off, and make their report as required in section 24 of this act.

SEC. 21. *Who disqualified to act as Appraisers*—If any trustee, or any person summoned as an appraiser, shall be related by blood or marriage, to the debtor, or judgment creditor, or shall be a party in interest, in any action against the former, he shall be disqualified to serve in the valuations of the homestead or personal property exemptions, and another person qualified to act as juror shall be summoned and qualified in his place.

SEC. 22. When the homestead or personal property exemptions is made or reallotted on the petition of the person entitled thereto, the township trustees shall make their report as required in section 20 of this act, to the register of deeds, specifying what changes, if any, they have made in the former valuation and allotment, who shall register the same, as required in section 9, and when said homestead and personal property exemption is made, or reallotted, under execution by a judgment creditor, the township trustees shall make said return to the clerk of the Superior Court, who shall file the same and make a minute thereof on the judgment roll and the execution docket.

SEC. 23. *Cost of re-assessment how Paid*—If the board of trustees shall confirm the former appraisal, or shall increase the exemption allowed the judgment debtor, the levy shall stand only upon the excess remaining, and the judgment creditors shall pay all costs of the re-allotment. If they reduce the amount allowed the judgment debtor, the cost shall follow the execution and the levy shall cover the excess then remaining.

SEC. 24. *How Vacated.*—Any appraisal or allotment by the trustees of a township may be set aside, on application of any party interested, for fraud, corruption or other irregularity. The proceedings shall be upon petition, as in other special proceedings, and the applicant shall give bond to the opposing party for costs and damages.

SEC. 25. *Fees.*—The following fees and no other, shall be charged in this proceeding. Each appraiser for laying off homestead or personal property exemptions, or both, one dollar; officer for summoning and qualifying appraisers and delivering returns to clerk, one dollar; clerk of Superior Court, for filing return and entering same on execution docket, 25 cents; for making transcript for township clerk when required to do so, 50 cents; township clerk for summoning trustees, 50 cents; township clerk for transmitting return, 25 cents.

SEC. 26. *Acts repealed.*—All acts or clauses of acts in conflict with this act, or providing other means for the laying off of homestead or personal property exemption, are hereby repealed.

CHARLOTTE.

Saturday, June 5, 1869.

EDITORIAL CORRESPONDENCE.

NEWBERN, N. C., June 2, 1869.

On Monday night we left Charlotte, and after a delightful ride found ourself at Goldsboro'. After looking around and seeing who was aboard, Capt. Bryce kindly invited us to share his room in the sleeping car. Upon retiring we found the whole arrangement made with an eye to comfort. Some how or other the road is well managed and everything moves smoothly on it. The cars were crowded, in spite of Smith's ruling, and we are credibly informed that but for the course of the President of the N. C. Central Railroad, all the stockholders of this great central artery would have been here. As it is, the crowd is large enough for comfort and pleasure.

We reached Goldsboro' at 10 o'clock A. M. and remained over until 3 P. M. We stopped at "Granger's" and got a most capital dinner. There we had the pleasure of meeting Maj. Hearne, of the *Goldsboro Messenger*, and found the Major as interesting and well informed as he is fine looking.

We then took the train to the "City of Elms," and passed through one of the finest agricultural sections in the world. The cotton and corn look remarkably well, and cultivated most thoroughly. At 6 we reached the city of Newbern, and found a large number of her best and most hospitable citizens at the depot to welcome us. Our friends, Messrs. Yates and Bryce, went to the "Gaston House," and enjoyed the hospitality of Wm. P. Moore and his accomplished assistant, Major Jones, while we went to a private house.

The "Gaston" is, as all the readers of the *Times* know, a model of a well kept house, and the proprietor the most obliging and thorough host in the State.

After a delightful night, and a feast upon the luxuries of the 'briny deep" we prepared ourself for the excursion. At 8 o'clock we repaired on board the Ellen S. Terry, Chapin master, and steamed majestically down the river to the Point, a distance of twenty miles. We had quite a crowd aboard, and a better pleased party it was never our fortune to be with. We saw *en passant*, the fortifications the Confederates erected for the defence of the city, and many other objects of attraction.

Consolidation was the general theme and we have no doubt from what we say and heard that the great N. C. scheme will be effected, if the Central R. R. stockholders will only think of the interest of the State, and have one line, instead of being lead off by prejudice and little issues. However, these issues we will discuss more in our next.

We steamed down the river twenty miles and saw all that was to be seen, and enjoyed the delightful breeze from the water, and have just returned — There are many leading gentlemen in the city from nearly every part of the State. The meeting will take place at 3 o'clock, (it is now 2 and I have not had my dinner), and the humble writer is one of the number who is invited to address the vast concourse which will assemble in the grove.

To-morrow, we will go to Morehead City, after which we will write more fully. So far, the trip has been delightful, and everything done to make the visitors enjoy themselves. We are stopping with Mr. Stanly, Pres't of A. & N. C. R. R., and have full opportunity to see and know all that is going on. This is a great enterprise and our only wonder is, that it has not long since been effected. It was a favorite project with the statesmen of earlier days, when men acted from patriotic and honest motives, and now we firmly believe that if these two roads are consolidated, that the stock in the Central Road will appreciate in value and the whole State interest in railroads go up in value; besides, it will do much to give our State her proper position in the galaxy of States as well as pictured on the map.

I must close for want of time. Will write further to-morrow.

Prof. W. C. Kerr, the State Geologist, is instituting an examination into some of the lands in the Cape Fear section. He has found marl and other enriching properties from which excellent fertilizers can be made.

His Excellency Governor Holden has directed the Sheriff of Halifax county to execute the prisoners James Thomas and Gus Baker (two of the Wade Ditcher murderers, heretofore respited by the Governor,) on Friday the 4th day of June, between the hours of twelve and one o'clock, in accordance with the sentence pronounced by the Judge.—*Standard.*

The consolidation meeting is now progressing in Newbern. Quite a large number of Stockholders and others have passed through here on their way to Newbern, within the last day or two. A special train left here yesterday morning on the arrival of the Western train. The meeting will wind up with an excusion to Morehead City and Beaufort and return.—*Goldsboro Messenger.*

We learn from the *Weldon News* that Col. N. M. Long has presented to the town of Weldon a half-acre lot, situated in the grove just south of track of the old Petersburg road, to be used for the erection of a guardhouse thereon and for the putting up of a public hall whenever money enough shall find its way into the Treasury. This is an evidence of public spiritedness that we like to see evinced.

Dr. John A. Walker, of Alamance, says the Hillsboro' *Recorder*, was killed in the twinkling of an eye, on Thursday night about 8 o'clock. He and his wife were riding in a buggy when the horse took fright, and running down a slant struck a small gut in the way, dragging the shafts from the harness and dashing them both out.—When Mrs. Walker got to her husband he was taken his last breath. He was lying on his face, his feet in the direction the buggy was going. In falling from the buggy the reins entangled his feet and he was dragged some 8 or 10 feet.

EXCURSION TO BEAUFORT HARBOR. The stockholders of the Atlantic and North Carolina railroads, who were in attendance on the consolidation meeting yesterday, will be taken on an excursion to Beaufort Harber to-day. Ample preparations have been made at Morehead City and Beaufort, for the accommodation and pleasure of the party, and much enjoyment is anticipated. The day will be spent in visiting various points of interest in the Harbor, and afterwards the party will be carried as far [illegible] the broad Atlantic as will prove agreeable.

Many of our citizens will add to the party, and enjoy the salubrious breezes of "old ocean."

The train will leave the city at 8 o'clock this morning, returning about 10 o'clock to-night.—*Newbern Journal of Commerce, June 3d.*

The wheat crop in this section is looking well, and bids fair to make a good yield, a large portion of which is now headed out fully. There is no rust or other blight upon it, that we have heard of. But, the frosts of this month, and epecially that of the morning of the 13th, has played smash with the cotton and other tender vegetation.—*Western Vindicator.*

SOUTHERN COTTON MANUFACTURE. Six hundred thousand dollars' worth of manufacturing stock has been subscribed for a cotton mill at Columbus, Ga., and seventy-one others are in process of erection at Savannah and other points in the State, for the manufacture of cotton and woolen goods. One factory at Augusta has a capital of $600,000 and last year turned out nearly six and a half million yards of cloth. The Arizona cotton factory, established in Claiborne parish, Louisiana, since the war, is now paying a net profit of 24 per cent. per annum. This income is realized on a capital of $80,000, and with a part of the machinery counted in the capital not yet at work. New Orleans is soon to have a cotton mill with 10,000 spindles.

The Washington *Express* of the 1st inst., says:

"Both President Grant and Secretary Fish are well pleased with the remarks made by Minister Motley at the English banquet. The Minister appears to have carried out fully the instructions of the President to convey to her Majesty's Government the desire of the Administration to maintain and to cultivate friendly relations with England."

NEW WHEAT.—The Chester, S. C., *Reporter*, of the 3d inst., says: "Our energetic fellow citizen Geo. W. Melton, Esq., informs us that he has thrashed and shipped to Baltimore twenty-five bushels of new wheat. Who can beat it?"

Nine tenths of the buildings in the city of Philadelphia are insured on the Perpetual plan.

Before insuring elsewhere, business men and capitalists should call at the office of Caldwell & Brenizer and examine this plan.

Another "Plenary" Letter from the Pope.

Pope Pius IX. has addressed a letter to "all the faithful," in which he bestows plenary indulgence and remission of sins on the following conditions:

We announce to the whole Catholic world an indulgence in the form of a Jubilee. In the name of God, most powerful and most merciful, supported by the authority of the holy Apostles St. Peter and St. Paul, in virtue of the power of binding and loosing with which our Lord has invested us, however unworthy, we grant a plenary indulgence and remission of all their sins, as it is granted in the year of Jubilee, to all the faithful of both sexes, either dwelling in our much beloved city of Rome or having come within her wall who shall, between the first of June and the day of the closing of the Ecumenical Council convoked by us, visit the basilicas of St. John Lateran, the Prince of the Apostles, and St. Maria Majore, or at least visit one of them twice, and devoutly pray there for some time for the conversion of sinners, for the propagation of the faith, and for the peace, tranquility and triumph of the Catholic Church; who in addition to the accustomed fast of the Ember days, shall fast for three days, even not consecutively; that is to say, Wednesday, Friday and Saturday; and who, in the course of time, shall have confessed their sins, reverently received the Holy Sacrament of the Eucharist, and given some alms to the poor according to their power. To all not living in Rome we grant the same plenary indulgence and remission of their sins, on condition of their visiting, within the given time, the churches which shall be pointed out by the Ordinary of the place, or the Vicars to whom the charge of souls is committed, and fulfilling the conditions already spoken of. This indulgence is applicable to the souls in purgatory.

Travellers by land and sea may gain it by fulfilling the conditions and visiting twice the cathedral or parish church of the place where they are.

* * * We also ordain that from the 1st of June next to the close of the Ecumenical Council all the priests of the Catholic world, secular or regular, shall add every day to their Mass the prayer to the Holy Ghost, and that besides the accustomed Mass, the Mass of the Holy Ghost shall be said every Thursday, except on a double of the first or second class, in all the parish churches, basilicas or collegiate churches in Rome, and in all cathedral and college chapels throughout the world, by their respective canons; also, in every church served by the regulars and bound to say a conventional Mass.

The Mass of the Holy Ghost binds under no obligation regarding the application of it.

Given at St. Peters', in Rome, under the Ring of the Fisherman, the 11th of April, 1869, the twenty-third year of our Pontificate.

N. CARD PARACCIANI CLARELLI.

SPECIAL NOTICES.

Science Advances.

As soon as an article purporting to be of utility has been tested, and its merits endorsed by public opinion, unprincipled parties endeavor to replenish their depleted purses by counterfeiting and substituting a spurious for the genuine article. Some time since, Mercury, in the disguise of pills, powders, &c., was given for all diseases of the stomach and liver, while quinine was freely administered for the chills. At length HOSTETTER'S STOMACH BITTERS made its advent, and an entire new system of healing was inaugurated. The beneficial effects of this valuable preparation were at once acknowledged, and mineral poisons suffered to sink into that obscurity to which an enlightened age has consigned them. There have been many spurious Bitters palmed upon the community, which, after trial, have been found perfectly worthless, while HOSTETTER'S has proved a blessing to thousands, who owe to it their restoration to health.

For many years we have watched the steady progress of HOSTETTER'S STOMACH BITTERS in public estimation, and beneficient effects as a cure for all complaints arising from the stomach of a morbid nature, and we are free to say that it can be relied upon as a certain relief and remedy. Its proprietors have made the above preparation, after years of careful study and sifting, and are now reaping the reward claimed by this valuable specific, and which they so richly merit. It is the only preparation of the kind that is reliable in all cases, and it therefore demands the attention of the afflicted.

ROCKBRIDGE ALUM SPRINGS,
VA.,
OPEN MAY 15th.

This favorite and celebrated summer resort is now in complete order for the reception of guests.—Some important improvements have been added to the buildings since the establishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia.

The remarkable medicinal and curative power of the water is well known to the medical profession and to the springs going public. As an
ALTERATIVE, A DIFFUSIVE STIMULANT,
AND TONIC,
There is no known mineral water equal to it. In all anœmic conditions of the system, and broken down states of the constitution, loss of appetite, and general nervous prostration, its powers and virtues as a restorative may be safely pronounced to be without a known rival among the mineral waters of the world. They are ESPECIALLY INDICATED in the whole class as ailments peculiar to the female constitution.

The Proprietor will have provided for the Ladies and Ball Room a first-class BAND OF MUSIC, and in general, all the sources of amusement and recreation, usually found at our best summer resorts, will be at the command of the guests at Rockbridge Alum.

The place is within 11 to 13 hours of Richmond, Washington, Baltimore and Lynchburg, by rail. ALL IN DAYLIGHT. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road at one entire uniform rate, set down the visitors at the Springs to tea.

HYDROPHOBIA.—An exchange says the following remedy for hydrophobia was for fifty years used with great success by a German forester:

"The wound must be immediately washed with warm vinegar or tepid water, and then carefully dried, a few drops of sulphuric acid must then be poured into the place, and the action of the poison, it is asserted, will be neutralized. The principle of the cure would seem to depend upon the cauterey of the acid, as a substitute for the hot iron, but the severity of the remedy renders it highly dangerous, except in cases of extremity like that of hydrophobia. The pain from the acid upon healthy tissue is intense."

Ice is now manufactured in New Orleans so abundantly that it can be afforded to families all over the city at one cent per pound, and to large consumers at three quarters of a cent. It has been tested with ice from Boston, and is found to be more compact and slower in melting. Made from filtered water, it is as clear as crystal, and purer than ice naturally formed is apt to be.

LARGE DIVIDEND OF INSURANCE.

The Piedmont Life Insurance Company, of Virginia, has

DECLARED A DIVIDEND OF FORTY PER CENT.

on its Life Policies, which have paid two annual premiums, and the same is available on such policies at next renewal to absorb loans, or reduce cash payments.

The dividend could have safely been larger, but with the

PRUDENCE AND CAUTION

which has ever guided this company, it has deemed it proper to hold a surplus beyond the reserve fund.

The company is now only in the eighteenth month of its active operation—yet

HAS ISSUED 3,000 POLICIES

which is a success really remarkable, and far ahead of any company of like period in America or Europe; while its handsome dividend shows the economy of its administration, and the

UNDOUBTED PERMANENCY OF ITS SUCCESS.

EXCELSIOR!—I have recently bought at great cost two of

THE BEST CAMERAS

IN THE WORLD.

The maker of one, J. H. Dalmeyera, of London, received a gold and silver medal at the Paris Exposition. The other is a Panoramic Solar Camera, by Antoine Claudet Stereoscopic, Norman Koetgers, of Germany. The best judges pronounce this the best instrument in the world. With these

BEST INSTRUMENTS,

The best of light and the best materials, I guarantee Pictures to surpass any thing in the State, and to

EQUAL ANY IN THE WORLD,

Either from old ambrotypes, Daguerreotypes, or from life. I am prepared to take any size picture as good, if not better than the original from fingering size up to full life size.

In making this announcement I would return my grateful thanks for the very liberal patronage bestowed upon me in the past, and pledge my best efforts in producing GOOD PICTURES in the future. The best judges are most pleased, and speak most flatteringly, but the pictures will speak well for themselves. Come all and see.

Those owing me for Pictures will confer a great favor by paying their bills at once, and save annoyance, if not cost.

THE BALTIMORE

PARLOR HEATERS,

—HOT-AIR FURNACES, &c.

S. B. SEXTON'S CELEBRATED

PATENT BALTIMORE PARLOR HEATERS AND GAS BURNERS,

for Anthracite or Bituminous coal, have been in successful operation for the last ten years, and have proved to be the best Fire-place Heaters manufactured and put in operation. They are getting to be generally used, often in the place of furnaces, for heating the lower and upper rooms in dwellings and offices. Two or three Stoves heating the largest dwellings, and besides, are quite ORNAMENTAL and ILLUMINATING, having all the beauty and cheerfulness of an open grate fire, but are more ECONOMCAL, CLEANLY and RADIATING A LARGER AMOUNT OF HEAT. We can refer to thousands of families who have them in use.

We manufacture our own COOKING STOVES, and we guarantee them to be equal to any sold for *baking* and *cooking*. We have Stoves to take in long wood and with large ovens, and small Superior Stoves for *baking*. We are getting out some new patterns of Cooking Stoves, that will burn *Bituminous coal, hard coal, or wood*. They will have a beautiful finish, and will stand among the No. 1 Cook Stoves. Our Cooking Stoves are Baltimore made, and we guarantee the plates. Our Cooking Ranges are pronounced the best and cheapest in the market.—Baking of all kinds can be done in our Ranges as quickly and equally as well as in a Brick oven. We will manufacture S. B. SEXTON'S new patent Hot-Air Furnaces, warranted to burn from 30 to 70 hours with one filling.

Thankful to our friends and the public for their past favors, we solicit a continuance of their patronage.

NOTICE!—

We hereby notify the public that, from and after this date, we employ no agents for the sale of

Gregory's Dyspeptic Mixture.

Neither are there any interested parties with us. We are the inventors, sole proprietors and only manufacturers of the GENUINE ARTICLE, and our individual signatures accompany each bottle—and all orders and remittances must be made to Drs. W. W. & R. R. GREGORY, at Charlotte, N. C.

In assuming the entire charge of this invaluable remedy, we present it to you in a new dress, and have reduced the price to $1 50 per bottle, to bring it within the reach of all. In the pamphlet which accompanies each bottle will be seen the certificates of the most distinguished physicians, judges and divines, in the State, and we only ask for it a trial, that dyspeptics may be convinced of its curative virtues.

A liberal discount to the trade.

CAUTION!

We desire to warn the dealers in, and consumers of snuff generally, that since the war, certain tobacco manufacturers, being unable to find a market for their snuffs, felt themselves obliged to counterfeit the general appearances of our packages, and imitate our Trade Marks, so that a close inspection is necessary to detect the spurious article from the genuine, and others going so far as to assert that "Lorillard's Snuff is no longer made."

In making this publication we desire to warn the public against the impositions practiced upon them; as they are the losers thereby. It will be found upon comparison that Lorillard's Snuff is "far ahead" of all others, being made of the best stock, after an original and secret process known only to ourselves, besides possessing great age, strength and pungency, and is warranted not to contain any dangerous or deleterious substances, which cannot be said of the many worthless articles put on sale by others. The best is the cheapest in the end. A circular will always be mailed on application. In ordering please specify if Salt Snuff (High Toast), or Fresh Snuff (Extra Scotch) is desired.
